S.No	Firm Name	Firm's Query	Remarks
1.	JOHNSON & SMITH CO	<p>i. Tender documents says that supplies should be completed within 15-20 days from date of issue of PO. Usually procuring of raw material and packing material only requires 15 days from date of issue of PO . Kindly clarify because the POs issued from APMSIDC on regular basis states supplies should be completed with 70-19 days . Please clarify and amend</p> <p>ii. At the present time each suction pump for hand sanitizer costs Rs.30-35 and are only exported from China . Due to the non - availability of the suction pumps, cost of the product increases drastically and the department will be procuring hand sanitizers at a very higher rate than usual . Kindly allow to supply in flip top caps so the economical pricing participation takes place.</p>	<p>i. Order quantities will be provided based on requirement. Therefore, no change in tender document</p> <p>ii. Flip top cap accepted only for 200 ml. For 1 litre, dispenser should be used and for 5 litre, normal bottom cap (with sealing) to be used</p>
2.	S.P.Y.Agro Industries	<p>i. In the above tender specifications for bottle for supply of hand sanitizer is given as Polypropylene bottle with dispenser. We request you to allow PET bottles which is used by maximum manufacturers of sanitizer and also Polypropylene bottles are difficult to procure due to lock down.</p> <p>ii. Also please clarify if fliptop caps can be used as pumps are very costly and are not available in large numbers.</p>	<p>i. No change in tender condition</p> <p>ii. Flip top cap accepted only for 200 ml. For 1 litre, dispenser should be used and for 5 litre, normal bottom cap (With sealing) to be used</p>
